Lonnie's (I-59/Chimney Rock)

Lonnie@lonniesdance.com

(Lonnie's carries most of the styles of the shoes listed in the categories mentioned below. What is nice about Lonnie's is that you can try your size on first and not having to wait for your shoes. If he does not have them in stock, he will order them for you. This way you get your proper size the 1st time.) Once you know your size – you can venture out to the other shoe dealers.
